	Subject:	Figure Modeling
	Revised:	October 24, 2002

Figure Modeling

Figure modeling is categorized as casual employment on an as-needed and as-available basis. A separate document entitled *Guide to Figure Modeling at The Ringling College of Art and Design* is provided to each figure model. This guide contains information about figure modeling at Ringling College including general guidelines, figure model and instructor responsibilities, scheduling, and method of payment. Copies of this document can be obtained in the Office of Human Resources or from the Model Coordinator.
